No refunds will be given for delayed check-in. We will do our very best to check in all guests early if possible. Check in is currently done through social distancing by picking up your packet in the Drop Box located to the right of the office entry door. Our office is closed for entry. If you have questions, feel free to knock or phone our office and we will be happy to assist you in any way we can when possible.

Note: During our high season, there are times when House-Keeping teams may be moving quickly in order to get all guests in their homes by 4PM. House Keeping teams may leave clean dishes in the dishwasher or a last load of clean towels in the dryer. Every attempt will be made to return and put away these items. Please know they are clean and ready to use, but in effort to assist guests in entering homes earlier, the HK Team may not be permitted to re-enter your home once check in has taken place. There will be no refunds for these situations.

Cleaning is done based upon our governor's recommendations and CDC Guidelines. We advise all

guests to bring their own cleaning supplies to maintain their own personal comfort level. Our Maintenance Team empty hot tubs, disinfect, and fill fresh after every guest so please be aware that hot tubs may take time to heat up. Canaan Valley is a very remote location, with vast social distancing opportunities such as hiking & biking. Masks are worn in public, restaurants are primarily take-out, but several have opened with 50% occupancy seating. Our office is closed and locked for social distancing purposes, but we are available with a knock or phone call. Our area is known for its remoteness, ability to escape into the great outdoors, and it is easy to social distance.

AIR CONDITIONING: Air Conditioning is normally not needed in our mountain climate so most of our rental properties do not have A/C. If it is provided, it will be listed in the description of the property as an amenity.

LOST & FOUND: Canaan Realty is not responsible for personal items lost/left at the rental property. Found items will be returned only by request. Costs of shipping will be incurred by the guest. Items not claimed after 30 days will be donated to a local charity.

Fire Pits: To protect the homes in our area and our lush forests, please do NOT build fires on properties without an authorized fire pit. It is prohibited to build fires in lawns, driveways and especially on decks and inside grills. Homes that allow outdoor fire pits will have this clearly marked in your description. Many of our communities DO NOT ALLOW fires within their communities to protect the homes.

Fireworks are prohibited at all our rental homes and communities.

Please note that violating these rules could cost you thousands if a fire were to get out of hand. Fines incurred by the owner will be applied to your credit card on file!

Please be respectful and do your part to protect our forests and homes!

ACCIDENTAL DAMAGE WAIVER FEE: A \$50.00 Nonrefundable Fee is charged to each guest to cover up to \$1500 in ACCIDENTAL DAMAGES. This fee is taken in lieu of larger refundable security deposits and is NON-refundable. This fee offers our guest, as well as the owner of the home, protection against accidental damages, up to \$1500. A refundable cash security deposit cannot be accepted in lieu of this fee, as this protection plan is designed to simplify the claim process. The Damage Waiver Fee plan is designed to cover unintentional damages to the rental unit interior that occurs during your stay. The policy will pay a maximum benefit of \$1500.00. Any damages that exceed \$1500.00 will be charged to the guest directly. If, during the stay in the property the lessee or those sharing the accommodation with lessee cause any damage to real or personal property as a result of inadvertent acts or omissions, the Damage Waiver Fee, will reimburse Canaan Realty for the cost of repair or replacement of such property up to a maximum benefit of \$1500.00. To ensure that you are not charged for any damages, you are responsible for reporting any accidental damages to Canaan Realty. PETS: Pet Friendly = DOGS ONLY. Dogs are allowed only in properties designated as Pet Friendly. We allow only house broken dogs – No cats or other animals are allowed. Guests found with pets in properties that are not designated Pet Friendly, or found having pets other than dogs will be evicted immediately with loss of all rental monies with added charge for Extra-Clean in the amount of \$350.00 for ozone sterilization. An additional non-refundable pet fee in the amount of \$70.00 per dog for the entire stay will be charged. Guests with dogs are asked to please respect the comfort and safety of other guests, both during and after your stay. For this reason, we ask that you follow these guidelines during your time with us.

- Clean up after your dog, both in public areas and in the yard of your rental property.
- Do not allow your dog to bark excessively or to roam onto neighboring properties.
- Complaints may lead to eviction without refund. This will be at the sole discretion of Canaan Realty.
- Groom your dog prior to their stay in the rental unit particularly if it is a breed prone to shedding. Pet hair can be difficult to remove, and the next renter in your property may not have a pet. Extra cleaning fees will be charged for furniture, blankets, comforters, etc. that have pet hair left behind.
- Do not allow dogs on furniture or beds. It is also helpful to bring something (bed, blanket, etc.) on which you know your pet will be comfortable sleeping. Please, bring any kennel or special bedding your pet may enjoy with this in mind. Extra cleaning fees will be charged for furniture, blankets, comforters, etc. that have pet hair left behind. This may include professional steam cleaning; usually resulting in charges above \$200.
- Don't leave your dog unattended for long periods of time. A crate is ideal for those situations in which you must leave.
- You are responsible for any damages your pet causes.

- **Do not allow dogs in swimming pools or hot tubs or bathe your dog in the rental unit bathroom.**

RENTAL PROPERTIES REMOVED FROM RENTAL MARKET: From time to time rental properties are sold or become no longer available on our rental market. We will make every effort to relocate you to a comparable property. This is beyond the control of Canaan Realty and as such, Canaan Realty does not assume any liability associated with your relocation to another rental property. We will make every effort to contact you as soon as possible to notify you about any changes.

WOOD BURNING FIREPLACES: Wood burning fireplaces require careful attention. Please DO NOT build large fires, make sure glass doors are open to avoid breaking, and be sure screens are closed to prevent flying embers. Open the damper or flue when using fireplace. Close the flue when not in use or before departing.

The fire MUST be completely out before you depart. Failure to do so can result in extra charges.

GAS FIREPLACES: Read and carefully follow the instructions provided for each gas fireplace. Fireplaces may be hard to light if instructions are not followed properly. Do NOT burn wood or anything else in gas fireplaces! DO NOT rearrange or remove the gas logs under any circumstances.

CANAAN VALLEY FLIES ANOMOLY: Please be aware that cluster flies, aka *Pollenia rudis*, occurs in Canaan Valley. Your rental home can be perfectly clean and in the next few minutes experience this phenomenon. The flies are looking for a warm, dark spot, for suspended animation until next spring. They come through cracks, door jams, & windows. We prepare your home and make sure they are free and clear of flies, but in times of weather changes, *Pollenia rudis* can occur within minutes. We are sorry for any inconvenience this creates. No refunds will be given for this occasional occurrence.

EQUIPMENT: All rental properties are equipped for basic needs.

- Rental properties are fully equipped with glassware, dishes, coffee maker, toasters, pots/pans, utensils, dishwashers, microwaves, and laundry machines.
- There is a start-up supply of toilet tissue, hand soap, dish liquid, paper towels, laundry soap and trash bags; these items are not intended to last your entire stay. **Please be prepared to bring these items.**

- Linens are provided at no extra charge. Linens include sheets and pillowcases for all beds, towels, wash cloths and dish cloth/towels. These linens will be in your rental property upon arrival.

- Hot tub use is at the guests' own risk. Hot Tub standard cleaning is included. Excessive cleaning will result in extra charges. Pets, Food, Drink, or water-altering substances in Hot Tubs are prohibited.

HOT TUBS IN HOMES: If your home is equipped with a hot tub amenity and it is not functioning or requires treatment at any time during your stay, call the office for assistance. Please refrain from pushing buttons on your hot tub control pad as this may lock up the system. We will do everything in our power to keep your hot tub running properly during a stay. Please bear in mind that during holiday time frames and high occupancy, response time may be delayed. Hot tubs are **NOT** considered emergency call-out situations. Hot tubs are available for use year-round. **Pets, Glass, Food and Drink are not permitted in hot tubs.** Hot tubs are cleaned & serviced prior to guest arrival and may require time to reach optimum heat. Please note that dirt, leaves, pine needles is part of the Mountain environment and will make its way into the hot tub as your stay progresses. This does not affect the hot tub's function or chemical levels. Many filters use sand as the filter medium so sand may be in your tub. When not in use, always keep the hot tub covered to help minimize cooling and keep out debris. **Never sit or stand on hot tub covers or allow children to jump on them while on or off the hot tub;** they will not support the weight and it is extremely unsafe! Damage incurred as a result of misuse/breakage/additional cleaning due to mis-use will be billed to the card on file. No refunds will be given for hot tub malfunctions/break downs.

MAINTENANCE REQUESTS: Every effort will be made to keep each property and its equipment in good working condition. Should a difficulty arise during your stay, we will make every effort to have the item repaired as quickly as possible. We ask for your patience and understanding in these circumstances; however, **no refunds will be issued for lack of equipment, mechanical equipment, or property failures.**

However, we cannot be held responsible for changes made by owners to furnishings, rates, and equipment or for printing/typing errors.

- Hot tubs, TVs, VCRs, DVDs, Grills, etc. are furnished as a courtesy by the owner and are not guaranteed. Our rental properties are well maintained and clean, but understand that these are unique and intricate properties, which just like your own, experience a wide variety of unexpected breakdowns. We want you to have a wonderful vacation and enjoy yourself, which is why we make every effort to remedy unpleasant situations and correct any problem you might experience in a timely manner. Our abilities may be limited due to our remote location.
- Those families renting more than one home, kindly be cautious to return items to the correct home. It is easy for house wares to be left in another home when sharing dinners.

- Please notify us promptly if you experience inoperative equipment or other problems.
- Please understand that emergencies take precedence. You can expect our courteous and professional staff to help remedy the situation; however, refunds will not be issued due to malfunctioning equipment or other guest dissatisfaction.
- Due to the remoteness of our location and inability to obtain replacement parts quickly; immediate servicing of malfunctioning equipment is not always possible.
